

# Tutorial: How to access your learning content

The screenshot shows the 'English Learning Community and Resources' page. The header includes a logo, the title, and '6 members Hosted by'. The main content area is divided into sections: 'Learning with OLS' (with a 'Tutorial' button), 'Calendar' (no events), 'Interactions' (with 'Announcements' and 'Forum' links), and 'Resources' (with a 'Tutorial' link). Below this is a 'Spotlight' section with 'Spotlight courses and events'. Two featured courses are shown: 'English Placement Test' and 'Mobility & Intercultural Podcast'. A filter bar below the spotlight shows 'Language', 'Type', 'Curriculum', and 'Boulder'. The bottom section displays a grid of four course cards, each with an 'Edit' button and a numbered icon (1-4).
