1. Is there any sample test for English exam? How can we prepare?

This exam's purpose is to determine your English level and exam score will effect 50% of your total score. You can find sample exam by searching from internet.

2. When will the application start and when will the English exam hold?

Application will start at the end of January. Exact application date and English exam date will be announced via your student email addresses.

3. Do we need additional documents to prepare before the application period for the study program?

You do not need to prepare any documents before the application time for the study program.

4. If we are 3rd grade student can't we apply for traineeship at this application period?

You can apply for traineeship program after the first semester of the 1st grade. If you apply for traineeship program, you can attend the program earliest 1st of June.

5. What is the student quota for each department?

You can check our partner list for the quotas. Our list will be updated right after our applications are opened.

6. Can double major students apply with their double major?

Double major students can apply with their double majors. If a student apply with the double major department, they have to freeze their semester for major program department.

7. I will graduate Master's next month, can I still apply for the internship?

You can apply for the traineeship program while you are a active student.

8. Where can we find the list of the universities you work with in Europe?

You can find the partners list in our website, you can check all the partners with that list.

9. .Can we apply for the Study and the Internship programs at the same time?

You can apply for both programs but you have to priortize one of them, and for other program, you will get -10 points.

10. What is the difference between contortium and traineeship program?

You find detailed information at our website:

<https://exchange.bau.edu.tr/news/internship4all-consortium-erasmus-traineeship-mobility/>

11. How can I apply for the monthly grant?

Your CGPA and English exam score will determine your over all application score. The point that you get recieved will determine if you get the grant or not.

12. Does being an irregular student effect the program?

It does not effect your application.

13. Are IELTS results valid instead of BAU English exam? If valid, what should be the minimum value?

You have to take the exam that university prepares for students who apply for Erasmus+. You have to get minimum 60 points from that exam.

14. For how many months the grant will cover the mobility?

It changes for the amount universities receive from the EU Commission and the Turkish National Agency, we cannot give any information for the grant at this moment.

15. Does having an NA/F affect your application?

It does not affect your application. If an undergraduate student has a 2.20 minimum CGPA, and a graduate student has a 2.50 CGPA, he/she can apply.

16. Can we do an internship during the summer months?

Yes, you can attend the internship program during the summer months.

17. If we get an acceptance from an internship that is planning to be online, can we still use the grant?

Unfortunately, Erasmus+ internships cannot be online; you have to attend the program face to face.

18. Can we apply for 2 semesters or is the program only for just one semester?

For the study program, you have to apply for one semester. If you choose to go in the fall semester, you might extend your study program to the spring semester.

19. Can I use my previous result of English exam from last year?

Erasmus+ Proficiency Exam results can be used for 2 year. You have to contact the School of Foreign Languages to get your document and upload it to our system during the application period.

20. It is said that study and internship programmes can not exceed total 12 months. Is it 12 month for just undergraduate period or both undergraduate and master period?

Student can participate the program total of 12 months as undergraduate student, and total of 12 months as graduate program student. It will be calculated seperately.

21. Do we have to make different applications if we intend to apply for study+traineeship program or one is enough? Which websites do you offer to help us with searching for internships?

You have to make different applications and prioritize one of your applications. The other application that you did not prioritize, your application will be evaluated with -10 deduction.

You have to apply for both of them separately. You can find the websites that you can search for your internship in our website.

22. How many times can we apply for the Erasmus+ if I am not accepted before?

You can apply to Study Programme latest on your 5th semester to attend the program in your 4th year's fall or spring semester. If you participated the program before, your total months will be calculated and you will be informed.

23 .Do I have to do something for internship program other than finding the company before the application procedure?

You do not have to do anything before the application, if you get a acceptance letter during the application you will get +10 points.

24. Even if we win the internship programme can the company reject us? In that case what can we do?

If the company reject you after the application period and if our coordinators evaluate your situation within the procedure.

25. How can I know which companies the university is dealing with to apply for?

We do not offer you any company for your traineeship, you have to search and contact the companies by yourselves and get an acceptance letter.

26. What is the capacity of the students who will be provided grants this year?

The number of students who get grant changes year to year, after we get an information from the Turkish National Agency, we will announce it.
